ADMISSIONS

DETERMINING A PAN

1. The number of places available is determined by the capacity of the school.
2. The maximum PAN for new Reception pupils is 30.
3. The admission authority will notify the LA of their intention to increase the school's PAN and reference the changes on the school's website.
4. If the admission authority can accept more pupils than the PAN, it will notify the LA in good time so that the LA can deliver their coordination responsibilities effectively.

OVERSUBSCRIPTION CRITERIA

1. In the event of there being an oversubscription of applicants to the school, oversubscription criteria will be applied. Each school's oversubscription criteria can be found in Appendix A of this policy
2. Each school will strive to accept all pupils who name the school in their EHC plan. If it is unclear whether a child meets the oversubscription criteria, the admission authority may request proof of address. This proof will not include any of the information detailed in 3.8 of this policy.
3. If there is a 'tie-breaker' between oversubscribed pupils, the school will follow a fair, clear and effective procedure by allocating the place to the pupil who lives closest to school.
4. When formulating their admission arrangements, the admission authority will not carry out the following:
 - Place any conditions on the consideration of any application other than those in the oversubscription criteria published in their admission arrangements
 - Take into account any previous schools attended, unless it is a feeder school
 - Give priority to children whose parents rank preferred schools in their application
 - Give priority to children based on any practical or financial support their parents give to the school or associated parties (including any affiliated religious organisation)
 - Give priority to children according to the occupational, marital, financial or educational status of parents applying – apart from where these factors determine a child's pupil premium eligibility, and for children whose parents work at school
 - Take account of reports from previous schools about children's past behaviour, attendance, attitude or achievement, or that of any other children in the family
 - Discriminate against any protected characteristic
 - Give priority based on a child's or their parents' past or present hobbies or activities
 - Interview children or parents
 - Request financial contributions as part of the admissions process
 - Request photographs of children – apart from for proof of identity when sitting selection tests

EQUAL OPPORTUNITIES

1. Each school will not establish admissions criteria that excludes individuals with a particular protected characteristic.
2. The admissions criteria will not exclude a greater proportion of pupils with particular protected characteristics, unless the school can justify how this is a proportionate means of achieving a legitimate aim.
3. The admissions criteria will not discriminate against disabled applicants, unless the school can justify how this is a proportionate means of achieving a legitimate aim

ADMISSIONS PROCEDURES

1. The school will offer open events and school visits to all potential applicants, irrespective of any protected characteristics. Where necessary, the school will make reasonable adjustments for disabled applicants or disabled parents.
2. The school may assess its ability to cater to the applicant's needs by:
 - Inviting the applicant to attend the school for half a day
 - Visiting the applicant's home
 - Visiting the applicant's current education provision

CONSULTATION AND DETERMINATION

1. The admission authority will consult on any proposed changes to the admissions arrangements.
2. Consultation will last for a minimum of six weeks and will take place between 1 October and 31 January in the determination year.
3. The admission authority will consult on admissions arrangements at least once every seven years, even if no changes have been made in that time.
4. The admission authority will consult with the following:
 - Parents of all pupils
 - Stakeholders
 - Other admission authorities within the relevant area
 - The local Governing Boards and the LA who are not the admission authority
5. The admission authority will publish a copy of the full proposed admission arrangements on the Trust website. Each school will publish the contact details of the individual responsible for admissions liaison on the school website.
6. A copy of the proposed admission arrangements will be made available upon request.
7. Admission arrangements will be determined by 28 February in the determination year on an annual basis, even when no changes to the arrangements have been made.
8. Finalised admission arrangements will be published on the school website.
9. A copy of the finalised admission arrangements will be sent to the LA for entry by 15 March in the determination year.

10. Any objections to the admission arrangements will be directed to the Adjudicator by 15 May in the determination year.

APPLICATIONS AND OFFERS

1. Parents will be provided with a common application form (CAF) where they will note their three preferred schools, along with a brief explanation, in rank order – the schools do not have to be located in the LA area where the parents live.
2. Parents will provide LAs with the following information within the CAF:
 - Their name and their child's name and date of birth
 - Theirs and their child's address and proof of residence
3. The CAF will be submitted to the parents' LA.
4. Parents are not guaranteed to have their preferences met.
5. The admission authority will request supplementary information for the purpose of processing applications where necessary.
6. Admission authority will not request any of the following:
 - Any personal details, including information on criminal convictions or financial status
 - The first language of the parent or child
 - Details about the parents' or child's disability, medical or SEND requirements
 - Any parental agreement to follow the ethos of the school in a practical way
 - For the child to complete any part of the form or for both parents to provide signatures
7. Once a place has been offered, the admission authority may ask for the child's short birth certificate as proof of birth date.
8. For previously LAC and LAC, the admission authority will request a copy of the adoption order, child arrangements order or special guardianship order, and a letter from the LA confirming that the child was looked after immediately prior to the order being made.
9. A clear, fair and objective waiting list will be provided until 31 December of each year. Priority will not be given to pupils based on the date they were placed on the list. LAC and previously LAC will take priority over the waiting list.

"IN YEAR" ADMISSIONS

In Year admission are pupils joining in years 1 – 11 and any pupils joining Reception after the start of the school year

1. Parents will need to complete the on-line application form provided on the Cheshire East Council website: www.cheshireeast.gov.uk/schools or www.cheshirewestandchester.gov.uk/schools. Hard copies of the in-year application form are available from the Council offices or from the school. It is recommended that on-line applications are made where possible to avoid delays. Alternatively, you can apply for a place directly through the school but the above application form will need to be completed in hard copy before being passed to the Local Authority. If completing an on-line application, the on-line request will automatically be forwarded to our school office.

2. All applications will be processed in school and if the relevant year group has a vacancy, a place will be offered wherever possible. If there is not a vacancy in the relevant year group, you will be notified of your legal right of appeal.
3. If the school is oversubscribed with applications, preferences will be considered in line with the published oversubscription criteria of the Academy.

SIXTH FORMS ONLY

1. Applications to sixth forms can be made using the CAF; however, pupils already on roll who are transferring into Year 12 are not obliged to use it.
2. The entry criteria for each sixth form can be found in Appendix B
3. The entry requirements for the sixth form are the same for all pupils, irrelevant of their previous school, and where oversubscribed, priority will be given to LAC and previously LAC who meet the academic criteria – all other oversubscription criteria will apply as normal.
4. An offer will only be withdrawn if it has been made in error, a parent has not responded within 20 working days, or if the offer was made via a fraudulent or misleading application.
5. If any application is found to be fraudulent after a child has started at the school in the first term of the new academic year, the school may withdraw the place. If the fraudulent application is found after this time, the pupil will not be removed.
6. **[Primary schools only]** All offers will be made on National Offer Day, i.e. 16 April or the next working day.
7. **[Secondary schools only]** All offers will be made on National Offer Day, i.e. 1 March or the next working day.
8. The admission authority will maintain a waiting list for oversubscribed schools.
9. The admission authority will make clear in the admissions arrangements the process for requesting admission outside of the normal age group for the admissions round.
10. Each headteacher will assist the admission authority with deciding on which year group a child will enter. Once a decision has been reached, the child's parents will be informed in writing along with an explanation of how the decision was reached and any reasons why.
11. Pupils not of usual school age will not be given less of a priority where the school is oversubscribed.
12. Applications for children coming from overseas will be treated in accordance with EU law or Home Office rules.
13. For children of UK service professionals, the following procedure will be adhered to:
 - A place will be allocated to the child in advance of the family arriving in the area named in the application form.
 - The application must be accompanied with an official letter confirming the relocation date and the service unit's postal address or quartering area address when considering the application against the oversubscription criteria.
 - The application will not be refused on the grounds of the child not currently living in the area, nor will places be uniquely reserved.

14. The arrangements for service children will be in line with the government's commitment to removing disadvantage for service children.

MOVING HOUSE

Parents and carers must inform the Academy immediately of a change of address, even if details of a future change of residency were included on the application form. The Academy will require supporting evidence to show that the place of residency has changed as follow:

- A letter from the solicitor confirming the completion date
- A signed rental agreement showing the start of the tenancy

In addition, the Academy may request further information including copies of council tax and utility bills. Other information may be required; such as evidence of disposal of previous property. In all cases, information will be verified using Council Tax records.

In respect of applications made as part of the normal admission round, (e.g. into the Reception class in September for the first time) information and supporting evidence must be received by the dates set by the Academy which will match exactly the date set by the Local Authority. Satisfactory confirmation of residency at the property (as aforementioned) will result in the application being processed on the basis of the new address. Proof of residency received after the published dates will not be used to process the application but will be used to send the decision letter/e-mail on the published offer date.

WAITING LISTS

Waiting lists will only be held for the normal admission round (September admissions into the Reception class) and only until the end of the Autumn term. They will be held in criteria order and not on a 'first come, first served' basis. Placing a child's name on a waiting list does not affect the statutory right of appeal. Waiting lists will consist of those children whose parents or carers have specifically requested in writing (including e-mail) that they remain on the waiting list, along with new applicants and those for whom an appeal application has been received.

LATE APPLICATIONS – NORMAL ADMISSION ROUND ONLY

Late applications will be considered after all on-time applications unless the Academy considers that there are good reasons for the application being late, which must be stated at the time of application, e.g. exceptional medical reasons preventing an earlier application, late removal into the area. Supporting documentation must be provided by the cut-off date which is the same as that used by the Local Authority Co-ordination Scheme.

ACCEPTING AND DECLINING PLACES

All parents will be required to accept or decline the school place offered by the published date as stated on the Academy Website. The Academy reserves the right to withdraw places not accepted by this date.

ADMISSIONS APPEALS

1. When informing a parent of their unsuccessful admissions application, a letter will be sent which includes the reason why admission was refused; information about the right to appeal; the deadline for lodging an appeal and the contact details for making an appeal.
2. Parents will be informed in the letter that, if they wish to appeal, they must make the appeal in writing.
3. Grounds for appeal are not limited.

CONSTITUTION OF APPEALS PANELS

8. There will be three members of the panel available at all times during the appeals process. If any member has to temporarily withdraw, the hearing will be postponed until the panel member returns. If the panel member is unable to return, they will be replaced, and the appeals will be reheard.
9. Appropriate training will be given, funded by the admission authority, to all panel members and clerks before they take part in a panel hearing. As a minimum, this training will include:
 - The law relating to admissions.

12. Appeal hearings must be private and held in an accessible location. The order of the appeals will be:

REACHING A DECISION

1. When reaching a decision, the admission authority will have due regard to section three of the 'School admission appeals code'.
2. Appeals decisions will either be upheld or dismissed – there will be no conditional decisions made, in line with section 94(6) of the School Standards and Framework Act 1998.
3. The final decision will be decided by a simple majority. If votes are split equally, the chair will make the casting vote.
4. The final decision and accompanying reasons will be communicated in writing to the appellant, admission authority and the LA.
5. The decision letter will be signed by the clerk or chair of the appeals panel and sent no later than five school days after the decision has been made.
6. If a child has been refused admissions due to any SEND, this will be considered by the First-tier Tribunal (SEND) and not the appeals panel.
7. [Admission appeals for infant classes only] The admission authority will have due regard for the two-stage process outlined in the 'School admission appeals code' when negotiating appeals regarding infant class sizes.

COMPLAINTS

1. Appellants do not have the right to more than one appeal in respect of the school for the same academic year unless, in exceptional circumstances, the admission authority has accepted a second application from the appellant due to a material change in the circumstances of the parent, child or school but still refused admission.
2. Appellants can apply for a place at the school for a different academic year.
3. If appellants have an issue with the appeal process, they can complain to the Secretary of State.

APPENDIX A

OVERSUBSCRIPTION CRITERIA

In the event of there being an oversubscription of applicants to the school, oversubscription criteria will be applied. Each school's oversubscription criteria can be found below.

CHILDREN WITH EDUCATION HEALTH CARE PLANS (EHCP)

The Academy will

- subject to its right of appeal to the Secretary of State in relation to a named pupil, admit all pupils with an Education Health Care Plan naming the Academy.
- give highest priority to looked after children or previously looked after children in accordance with the relevant provisions of the School Admissions Code. (as defined in section 22 of the Children's act 1989)

FOR THE PURPOSES OF THE CRITERIA, THE FOLLOWING DEFINITIONS ARE USED.

CATCHMENT AREAS

- The point within the school grounds from which the school will measure any distance or radii is the door of the school reception. This point will be used to determine the school's catchment area. This should be measured using the child's primary address.
- The catchment area is a 5-mile radius from the school.
- The school will accept pupils from outside the catchment area – oversubscription criteria will apply where applicable.

PARENTS AND CARERS WITH SHARED RESPONSIBILITY FOR A CHILD:

Where parents or carers have shared responsibility for a child the place of residency will be determined as the address where the child lives for the majority of the week (e.g. where the child wakes up between Monday to Friday). Full details must be submitted in writing to enable the Academy to determine which address will be used for the purpose of admission. A panel of Academy governors will consider the information provided. Where the Academy is unable to reach a decision based on the information received, e.g. where the child lives equally with both parents, the address provided for claiming Child Benefit and where appropriate, Child Tax Credits, will be applied to the admission application. In such circumstances, documentary evidence must be provided.

SIBLINGS AND CHILDREN OF STAFF

- For the purpose of this policy, “sibling” is defined as any brother or sister related by **blood or marriage and any fostered or adopted siblings**.
- Where oversubscribed, the school will give priority to children whose siblings are currently at the school or who attended the school within the last six years.
- For the purpose of this policy, “children of staff” refers to any children of staff who have been employed by the school for two or more years at the time at which the application was made, and where the member of staff has been recruited to fill a vacant post where there is a demonstrable skill shortage.

ADMISSION CRITERIA

PRIMARY SCHOOL ADMISSION CRITERIA

The following oversubscription criteria apply to the Primary Schools in the Fallibroome Trust

School	PAN
Adlington Primary School	15
Broken Cross Primary School	30
Gawsworth Primary School	30
Nether Alderley Primary School	15
Marlborough Primary School	60
Upton Priory Primary School	60
Whirley Primary School	30

OVERSUBSCRIPTION CRITERIA

Where the Academy is over-subscribed the Governors, in prioritising applications from parents expressing a preference for the Academy, will use the following criteria:

1. Cared for Children’ and Children who were ‘Previously Cared for’.

- A ‘cared for child’ is a child who is in the care of a local authority or provided with accommodation by that local authority (as defined in section 22 of the Children Act 1989).
- Children previously ‘cared for’ are children who were ‘cared for’ as defined above, but immediately after being ‘cared for’ became subject to an adoption, child arrangements order (formerly residence order), or special guardianship order. A child arrangements order is as an order settling the arrangements to be made as to the person with whom the child is to live under section 8 of the Children Act 1989 amended by Children and Families Act 2014. Section 14A of the Children Act 1989 defines a ‘special guardianship order’ as an order appointing one or more individuals to be a child’s special guardian (or special guardians).

This includes those children who appear to (to the admissions authority) to have been in state care outside of England and ceased to be in state care as a result of being adopted.

2. **Siblings**

Pupils with brothers or sisters, step-brothers or step-sisters, foster brother or foster sisters, half-brothers or half-sisters, adopted brothers or adopted sisters living together as part of one household, already attending the preferred Academy (in years Reception through to Year 5) and expected to continue at the Academy in the following Academy year. (i.e. at the time of admission).

3. **Children attending the Academy's own nursery provision Nursery.**

Any child attending the Academy's Nursery provision commencing the autumn term of the admissions period preceding their year of entry to reception.

4. **For Upton Priory Only: Children of staff at the school**

Priority will be given to children of members of staff who have been employed at the school for two or more years (at the time of application) and for new staff recruited to fill a vacant post for which there is a demonstrable skill shortage.

5. **Children resident within the designated catchment zone of the Academy**

Children will be classed within this category if they and their parents/carers are resident within the area served by Adlington Primary School (as defined by the Cheshire East Council map) on the closing date for applications.

6. **Pupils living nearest to the Academy**

Measured using the National Land and Property Gazetteer (NLPG) which measures straight line distances in miles from the address point of the Academy to the address point of the place of residence, on the closing date for applications.

NOTES

Where the Academy cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission.

All applicants within each criterion will be put into a distance order with priority being given to those that live nearest to the Academy. Where it is identified that there are a limited number of places available, and the Academy cannot differentiate between the applications using the distance criterion, a random allocation tie-breaker will be applied. This may be required for example, where applicants reside in the same block of flats.

In the case of previously cared for children admission authorities may request a copy of the adoption order, child arrangements order or special guardianship order and a written correspondence from the local authority that last cared for the child confirming that he or she was cared for immediately prior to that order being made.

Children will be considered as resident within the catchment area if they and their parents/carers are resident on the date published for the receipt of supporting documentation. Supporting information may be requested to verify the place of residence. For children of UK service personnel (UK Armed Forces) a Unit postal address or quartering area address will be accepted in advance of removal into the area, subject to official written confirmation of the address and relocation date. Preferences for the catchment area Academy for the confirmed address will be considered under 'Children resident within the designated catchment area of the Academy' criterion unless a higher criterion is applicable.

CHILDREN OF MULTIPLE BIRTHS

In relation to children of multiple births, exceptionally it may be necessary to offer places over the published admission number to ensure that, as far as possible, siblings (i.e. twins, triplets or children from other multiple births) can attend the Academy together.

EATON BANK ACADEMY

ALLOCATING PLACES

1. In considering applications for places at Eaton Bank Academy where the number of preferences received exceeds the number of places available (i.e. the published admission number) preferences will be considered in accordance with our published oversubscription criteria.
2. 'Relevant age group' means 'normal point of admission' to the Academy; for example, Year 7 and Year 12.
3. **OVERSUBSCRIPTION CRITERIA**
 - 'Looked after children' or 'previously looked after children.' This is a child who is or has been in the care of a local authority or provided with accommodation by that authority (as defined in section 22 of the Children Act 1989).
 - Siblings – pupils with brothers or sisters, (including step-brothers or stepsisters, half-brothers or half-sisters if they are living together as part of one household), already attending the preferred school, and expected to continue at the Academy in the following school year. A pupil admission request will qualify under the sibling criterion even if the only sibling is in Year 11 at the Academy, provided they have applied to join the sixth form by 1st December. In relation to children of multiple births, exceptionally it may be necessary to offer places over the published admission number to ensure that, as far as possible, siblings (i.e. twins, triplets or children from other multiple births) can attend the academy.
 - Children who are currently attending any of the following "Feeder" Primary Schools:
 - Bosley St Mary's Primary School
 - Buglawton Primary School
 - Havannah Primary School
 - Marlfields Primary Academy
 - Marton & District C E Aided Primary School
 - Mossley C E Primary School
 - Children of Staff provided that they have been employed for a minimum of two years or are recruited to fill a vacant post for which there is a demonstrable skills shortage.
 - Children living nearest to the Academy measured using the National Land and Property Gazetteer (NLPG)
 - Where the Academy cannot accommodate all pupils qualifying under one of the criteria stated above, the next criteria will also be applied to determine priority for admission. vii) In the event of a tie break, random allocation will be used to decide which of the children within that priority should be offered the available place.
4. Proof of address and residency may be required, and Governors retain the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application.
5. If a child lives at more than one address (e.g. spends part of each week at different addresses) full details of the arrangements must be included on the application form (or in the form of an accompanying note) to enable the Governors to decide which address (or, exceptionally, addresses) to use for admission purposes.

THE FALLIBROOME ACADEMY

In the event of The Fallibroome Academy being over-subscribed the Governors of the school, in prioritising applications, will use the following criteria:

1. Looked after children or previously looked after children as defined in section 22 of the Children Act 1989.
2. Pupils whose brother or sister attends the school and who is expected to continue at the school in the following school year. This also includes half-brothers/sisters and unrelated children living together as part of one household.
3. Children of all staff employed at The Fallibroome Academy for two or more years, at the time at which the application for admission to the school is made, or staff recruited to fill a vacant post for which there is a demonstrable skill shortage. This does not include staff who are recruited to fulfil seasonal responsibilities (such as Examination Invigilators).
4. Pupils who attend one of the following feeder primary schools:
 - Bollinbrook
 - Broken Cross
 - Mottram St Andrew
 - Nether Alderley
 - Prestbury
 - Upton Priory
 - Whirley

All schools will be treated equally.

5. All other pupils based on distance criteria.

In relation to children of multiple births, exceptionally it may be necessary to offer places over the published admission number. This is to ensure that, as far as possible, siblings (i.e. twins, triplets or children from other multiple births) can attend the same school.

The Published Admissions Number is 240. Where capacity is exceeded in any of the above admission criteria a place will be allocated to the student living nearest to the school measured using an 'address – point system'. (i.e. the Local Authority distance measuring system which measures straight line distance in miles from the student's permanent place of residence to the main school).

Proof of address and residency may be required and the Governors retain the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application.

THE WINSFORD ACADEMY

In the event of the Academy being over-subscribed the governors of the school, in prioritising applications, will use the following criteria.

1. A 'Looked After Child' or a child who was previously looked after but ceased to be so because they were adopted (or became subject to a child arrangements or special guardianship order). A looked after child is a child who is (a) in the care of a local authority, or (b) being provided with accommodation by a local authority in the exercise of their social services functions (see the definition in section 22(1) of the Children Act 1989).
2. Children with exceptional medical, social or welfare needs which means the child must, because of those needs, attend the Academy. Appropriate evidence from a doctor or social worker must be provided;
3. Children resident within the designated catchment zone of the Academy.
4. Admission of students whose siblings currently attend the school and who will continue to do so on the date of admission;
5. Admission of students on the basis of proximity to the Academy.

The tie-breaker within categories would be:

- Differentiation between applications where distance criterion does not identify priority for admission – tie-breaker would be a random allocation;
- All other differentiations – tie-breaker would be a random allocation.

Notes: Sibling is defined as:

- A full brother or sister, whether or not resident in the same household;
- Another child normally resident for the majority of term time in the same household, for whom an adult in the household has parental responsibility as defined in the Children Act 1989;
- In the case of twins (or two siblings in the same age cohort) and where there is only one place available in the Academy, both will be considered together as one application. The Academy will be authorised to exceed its Published Admission Number by one.

The 'home address' is where the child lives for the majority of the school week with a parent who has parental responsibility as defined in the Children Act 1989 and a parent includes a person who is not a parent but who has responsibility for him/her. This could include a student's guardians but will not usually include relatives such as grandparents, aunts, uncles, etc unless they have all the rights, duties, powers and responsibilities and authority which by law a parent of the child has in relation to the child and his/her property. Where parents have shared responsibility for a child, the place of residency will be determined as the address where the child resides for the majority of the week, (i.e., where the child wakes up between Monday to Friday). Where the child lives equally with both parents, the address provided for claiming child benefit and, where appropriate, Child Tax Credits, will be applied to the admission application.

Distances measured in a straight line using the Local Authority distance measuring system.

APPENDIX B:

SIXTH FORM ADMISSIONS CRITERIA

EATON BANK

This part of the policy refers to 16-19 year-old students seeking admission to Eaton Bank Academy Sixth Form at Year 12.

The published admission number (PAN) for the sixth form is 120 students per year in Year 12, of which up to 10 will be from external applications. The number of students who can be admitted above PAN will be determined annually in the light of accommodation, availability of teaching and other resources, and capacity of individual subjects available.

If the planned admission number is exceeded, priority will be given to internal candidates.

In the event that the number of external applicants exceeds the number of places available and further admissions cannot be agreed, the oversubscription criteria set out below will be applied to determine priority:

1. Students who are, or were previously looked after by the Local Authority (as defined in section 22 of the Children Act 1989).
2. Students living nearest to Academy measured using the National Land and Property Gazetteer (NLPG) which measures straight line distances in miles from Eaton Bank Academy's coordinate point to the point of residence's coordinate point.

THE FALLIBROOME ACADEMY

STANDARD CRITERIA:

Students should have attained at least **3 GCSE passes at upper grade 5 or above** and **preferably 4 GCSE passes at grade 4 or above**, although 2 GCSEs may be accepted. **These should include GCSE Mathematics and GCSE English at Grade 4 or above.** (Please note: No equivalents of GCSE will be accepted.)

Students should also meet the minimum GCSE Entry Criteria as detailed in the Subject Entry Criteria sheet.

Students with extenuating circumstances or with strong performance in particular subject areas will be favourably considered.

We will consider applications from students who have been educated outside the English/Welsh examination system and may not have followed GCSE courses. In cases such as these: - we will evaluate the application based on the predicted outcomes from examinations that are being followed (e.g. the International Baccalaureate); or evaluate the quality of a portfolio of relevant work that should be submitted upon request by the application deadline.

ADDITIONAL CRITERIA:

Having achieved the above standard, students will be admitted according to the following criteria:

- Cared for children and previously cared for children - as defined in section 22 of the children act 1989.
- Students whose brother or sister attends the school and who is expected to continue at the school in the following school year. This also includes half-brothers/sisters and unrelated children living together as part of one household.
- Children of all staff employed at the Academy for two or more years, at the time which the application for admission to the Sixth Form is made, or staff recruited to fill a vacant post for which there is a demonstrable skill shortage.
- Students who have attended Fallibroome.
- Students who attended a feeder Primary School:
 - Bollinbrook
 - Prestbury
 - Broken Cross
 - Upton Priory
 - Mottram
 - Whirley
 - Nether Alderley
- All schools will be treated equally.

- All other students based on distance criteria.

Where capacity is exceeded in either a subject or within the Sixth Form (180 including a **minimum** of 30 places for external students), a place will be allocated to the student living nearest to the school using an “address-point” system (i.e. the Local Authority distance measuring system which measures straight line distance in miles from the student’s permanent place of residence to the main school).

Proof of address and residency may be required and the Governors retain the right to withdraw any place offered on the basis of a fraudulent or intentionally misleading application.

When a student lives at more than one address e.g. spends part of each week at different addresses, full details of the arrangements must be included on the application form (or by means of an accompanying note) to enable the School to decide which address (or exceptionally, addresses) to use for admission purposes.

Forms arriving after the final option form deadline of will be marked ‘late’ and considered **after** all applications received on time.

Repeat applications will not normally be considered within the same school year, unless the parents’ or the school’s circumstances have changed significantly since the original application was made.

Students whose applications for Sixth Form remain unsuccessful but still meet the academic criteria set will be placed on a ‘reserve list’ for the first two weeks of the academic year. If any further places become available, they will be allocated according to the oversubscription criteria set out in these arrangements.

Individual Advice and Guidance consultations, will be held for each student applying to Sixth Form in order to offer the best advice in respect of his/her selection of A levels. Alternative post-16 pathways, which are available locally and may be more suitable, may be advised.

There is an expectation that all students will have demonstrated **good attendance, high standards of behaviour and high motivation and commitment in Year 11** and that they are capable of achieving a successful outcome.

Students will be notified by post of the outcome of their application, at the latest by the end of April.
