

Class 2 - Summer 2 News

mnorman@netheralderley.cheshire.sch.uk

This half-term's learning

We're continuing with our 'All at sea!' topic. There'll be lots about sea creatures in the next few weeks leading up to a visit to the fabulous Blue Planet Aquarium. You will receive a separate letter about this shortly.

To find out more about what's lined up for the next few weeks, please see the table overleaf.

Diary dates

Thu 28th June	Visit to the Blue Planet Aquarium
Wed 11th July	End-of-year reports issued
Thu 12th July.	'Drop-in' parents' evening (no bookings)
Mon 16th July	Summer concert by Classes 1& 2 - 6pm start
Tue 17th July	Summer concert by Classes 1& 2 - 2pm start
Fri 20th July	Leavers' assembly

Reading records

At school, we're always trying to get the message across to children that there's far more to reading than the books they bring from school. We encourage them to read from a range of sources - books from home, books they've borrowed, comics, magazines, even World Cup sticker books! The most important thing is that they're starting to enjoy reading and developing an understanding of their reading preferences. With all that in mind, please let us know about non-school book reading, by making notes in your child's reading record. It's really helpful for us to have an insight into what your child is reading outside school.

Thank you for all your support.

Mr Norman

Summary of learning for this half-term
Online resources you can use at home

Our routines

Reading books are usually changed on **Tuesdays and Fridays**.

Snack money: it's helpful if coins are in a wallet/purse or envelope. This prevents loss and upset at morning break.

PE will generally be on **Mondays and Thursdays**, although there may be times when we'll need to do a swap.

Homework: we generally collect yellow homework books on **Wednesdays**. New homework is generally set on **Thursdays**. Sometimes I will set 'talk homework' to prepare for a writing exercise in class.

Phonics homework is set on **Thursdays** and spellings are tested the following week.

Class 2 Curriculum Summary - Summer 2 2018
