

# Harvest prayers

Dear God,

Thank you for the foods we eat. Thank you for the fruit and vegetables. Thank you for the crops and plants we have. Please can you help the people that don't have much food?

Dear God,

Thank you for all the food you have given us, like the carrots that we dig, the apples that we pick and the potatoes that we harvest from the soil. Without this food we would not survive.

Dear God,

Thank you for food, the world, everything that we grow. I could not have a better life.

Dear God,

Thank you for the fruit and vegetables, like strawberries and grapes, oats to use in porridge, cabbage and carrots and peas.

Dear God,

Thank you for all the fruit you gave us like bananas, apples and grapes. It means a lot. I'm also grateful; for all the yummy vegetables like peas and broccoli. Thank you for making this world.

Dear God,

Thank you for all the food and water. We are happy that we have farmers to give us wheat to make bread and gardeners for our fruit.

Dear God,

I am here right now to very much thank you everything like a warm, cosy bed, a nice house to live in and of course food and water. Thank you for making school and family and colourful birds and creatures. I am so happy for what I have here. I could not expect for life to get much better.

Dear God

Thank you for giving us so much crunchy fruit and vegetables. My favourites are strawberries and peas. Thank you for feeding poor people across the world. We couldn't live without you. You should have a break.
